What happened to Mya:

Mya is missing! She is a beloved 11 year old female spayed Domestic Short hair with Silver& brown tabby markings. She went missing Thursday and her family would dearly love to have her home. If you have any information on Mya please call us at Kawartha Animal Hospital 705-324-4794.

Description of Mya:

Mya is a very affectionate, friendly, indoor cat with her front paws declawed . She always wears her collar with her home information on it as well. She shares our home with 2 larger dogs, and a mini dachshund, she has little fear of them! Annual visits to Kawartha Animal Hospital. Mya is Micro-chipped. All vaccinati...
